To Whom it May Concern,

I write this letter with the highest of recommendation for Kelly Carter. I have known Kelly for the last year as she has attended my class at The Little Gym of Seattle with her current client's child, Ruby. Although I only see her once a week, I can tell that she is great at what she does. She is extremely caring and attentive. Ruby is so comfortable with her and learns so much from her each week I see them in class. Kelly is always organized and makes sure to relay any information regarding upcoming missed classes or makeups that need to be scheduled, which we love. She is motivated and I can tell she truly loves what she does. Kelly would be a great asset to your agency or family and I highly recommend her. Please do not hesitate to call or email me with any additional questions you may have.

Warmly,

A handwritten signature in cursive script that reads "Nicole Hanson". The signature is written in dark ink and is positioned above the printed name.
